#### **Independent Auditor's Report**

Board of Directors Step Up For Students, Inc.

#### **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the consolidated financial statements of Step Up For Students, Inc. and its subsidiaries (the Organization), which comprise the consolidated statement of financial position as of June 30, 2022, the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements (collectively, the financial statements).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of June 30, 2022, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
  include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
  statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant
  accounting estimates made by management, as well as evaluate the overall presentation of the
  financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
  raise substantial doubt about the Organization's ability to continue as a going concern for a
  reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Report on Summarized Comparative Information**

We have previously audited the Organization's 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated December 28, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

#### Other Matters—Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying consolidating statement of financial position, consolidating statement of activities. consolidating statement of financial position—Step Up For Students-Florida, Inc. and consolidating statement of activities—Step Up For Students-Florida, Inc. are presented for purposes of additional analysis and are not a required part of the financial statements. The accompanying schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200. Uniform Administrative Requirements. Cost Principles, and Audit Requirements for Federal Awards and State of Florida Chapter 10.650, Rules of the Auditor General, is also presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 31, 2022, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Notes to Consolidated Financial Statements (With Summarized Comparative Information as of or for the Year Ended June 30, 2021)

#### Note 1. Nature of Organization and Significant Accounting Policies

**Nature of organization:** The primary mission of Step Up For Students, Inc. and its subsidiaries (collectively, the Organization) is to empower families to pursue and engage in the most appropriate learning options for their children, with an emphasis on families who lack the information and financial resources to access these options. By pursuing this mission, the Organization helps public education fulfill the promise of equal opportunity.

Step Up For Students, Inc. (Step Up For Students) (formally known as SUFS Parent, Inc.) is a nonprofit organization incorporated on December 3, 2021. Step Up For Students serves as a parent company offering services to its subsidiaries.

Step Up For Students-Florida, Inc. (SUFS-FL) (formally known as Step Up For Students, Inc.) is a nonprofit organization incorporated on February 18, 2000. SUFS-FL is a Scholarship Funding Organization (SFO) in the State of Florida which allows the organization to administer the Florida Scholarship Programs. SUFS-FL administers the Florida Tax Credit Scholarship Program, Family Empowerment Scholarship Program, Hope Scholarship Program and the Reading Scholarship Program for the State of Florida.

Step Up For Students-West Virginia, Inc. (SUFS-WV) is a nonprofit organization incorporated on December 10, 2021. SUFS-WV was created to support the Hope Scholarship Program in the State of West Virginia under contract with the State of West Virginia's State Treasurer's Office.

The Alabama Opportunity Scholarship Fund, LLC (Alabama Opportunity Scholarship Fund) is a nonprofit limited liability company incorporated on October 4, 2013, whose sole member was SUFS-FL. The Alabama Opportunity Scholarship Fund was established to operate under the standards prescribed by the Alabama Accountability Act of 2013 and is approved under the Alabama Department of Revenue to serve as a Scholarship Granting Organization (SGO). SUFS-FL transferred its membership interest to an unrelated third party on August 31, 2021, which resulted in a contribution in the amount of \$4,033,180 and is recorded in the accompanying consolidated statement of functional expenses as contributions expense.

The C2 Opportunity Scholarships, LLC (C2) is a nonprofit limited liability company incorporated on November 28, 2018, whose sole member was SUFS-FL. C2 was established to operate under the standards prescribed by the Alabama Accountability Act of 2013 and is approved under the Alabama Department of Revenue to serve as a Scholarship Granting Organization (SGO). SUFS-FL transferred its membership interest to an unrelated third party on August 31, 2021, which resulted in a contribution in the amount of \$295,178 and is recorded in the accompanying consolidated statement of functional expenses as contributions expense.

#### Note 1. Nature of Organization and Significant Accounting Policies (Continued)

The following is a summary of the programs operated by the Organization:

- Florida Tax Credit Scholarship Program: SUFS-FL is approved under Florida Statute 1002.395 to serve as a Scholarship Funding Organization (SFO). Since July 1, 2011, SUFS-FL has been the predominate Florida SFO. As a SFO, SUFS-FL can solicit and receive corporate contributions that are entitled to a state tax credit against 100% of corporate income tax, insurance premium tax, and direct-pay sales tax liabilities, 90% of alcoholic beverage tax liabilities, and 50% of oil and gas severance tax liabilities. Those contributions, in turn, must be spent to provide scholarships to low income Florida school children in compliance with the Florida Tax Credit Scholarship Program. For the 2021-2022 school year and the 2020-2021 school year, qualified students received a maximum scholarship of \$9,979 and \$9,197, respectively, to attend a private school that has been approved by the State of Florida or \$750 for transportation to an out-of-district public school. Scholarships are expensed when a student attends a qualified school. Through the Florida Tax Credit Scholarship Program, SUFS-FL served 84,490 and 104,165 students in 1,999 and 1,938 private schools across Florida during the 2021-2022 and 2020-2021 school years, respectively.
- Alabama Tax Credit Scholarship Program: The Alabama Opportunity Scholarship Fund and C2 were established to operate under standards prescribed in the Alabama Accountability Act of 2013 and are approved under the Alabama Department of Revenue to serve as a Scholarship Granting Organization (SGO). In accordance with the Alabama Accountability Act of 2013 and the Administrative Rulings by the Alabama Department of Revenue, the Alabama Opportunity Scholarship Fund and C2 must use at least 95% of revenue from credit eligible scholarship donations and all interest and investment income attributable to these scholarship funds for educational scholarships. Therefore, the Alabama Opportunity Scholarship Fund and C2 may use no more than 5% of the amount of its scholarship donations for purposes other than making scholarship grants. As a SGO, the Alabama Opportunity Scholarship Fund and C2 can solicit and receive corporate and individual donations that entitle the donors to certain tax credits administrated by the Alabama Department of Revenue. SUFS-FL transferred its membership interest to an unrelated third party on August 31, 2021, which resulted in a contribution in the amount of \$4,328,358 and is recorded in the accompanying consolidated statement of functional expenses as contributions expense.
- Policy, Strategic Communications, Legislative Affairs and Advocacy: This program takes the message of the scholarship program to constituency groups, community and political leaders, and local, state and national news publications. It issues press releases on topics of special concern and writes commentary for various publications. The group analyzes demographic, achievement and participation data and trends in the program and education choice movement. This group also responds to numerous information requests from newspapers, other media, and legislative and agency offices. This group also organizes advocates and supporters who believe children should be educated based on how they learn, rather than where they live. This group educates, informs, and trains parents to be advocates and supporters for the protection and expansion of choice opportunities. These services are provided to parents of children participating in programs administered by the Organization and may also be provided to parents utilizing other choice options under contract service agreements with choice advocacy groups.

- Scholarship Service Contract: SUFS-WV has contracted with the State of West Virginia's State Treasurer's Office to assist with the administration of the Hope Scholarship Program in the State of West Virginia. The Hope Scholarship Program is a personal education account to be used for qualifying education expenses on behalf of an eligible recipient in the State of West Virginia. SUFS-WV is responsible for processing applications for eligibility and being the fiduciary of the recipient's scholarship funds to be used for qualifying educational expenses. SUFS-WV is compensated for its work by receiving reimbursement for implementation costs associated with the scholarship program as well as a service fee from the State of West Virginia's State Treasurer's Office.
- Hope Scholarship Program: The Hope Scholarship Program was established by Florida Statute 1002.40, which was created in 2018 to provide the option of private school scholarships to students in public schools who have experienced acts of bullying and intimidation. SUFS-FL, as an approved Scholarship Funding Organization (SFO), is authorized to administer Hope Scholarships. The Hope Scholarship Program provides that automobile buyers may redirect up to \$105 of their state taxes on each purchase toward an authorized SFO. Those contributions must be used to provide tuition scholarships to participating private schools or a \$750 transportation scholarship to a public school in another district. For the 2021-2022 school year and the 2020-2021 school year, qualified students received a maximum scholarship of \$9,979 and \$9,197, respectively. Through the Hope Scholarship Program, 693 and 493 students received scholarships for the 2021-2022 school year and the 2020-2021 school year, respectively. During the years ended June 30, 2022 and 2021, SUFS-FL collected \$79,086,962 and \$78,182,192, respectively, of eligible contributions. SUFS-FL expended \$4,307,167 and \$2,792,230 for scholarships during the years ended June 30, 2022 and 2021, respectively. Any unused funds in the Hope Scholarship Program can be used to fund scholarships to students of the Florida Tax Credit Scholarship Program in the next State of Florida fiscal year.
- Reading Scholarship Program: The Reading Scholarship Program was established by Florida Statute 1002.411, which was created in 2018 to provide academic support for elementary school students who struggle in reading in district or charter schools. SUFS-FL, as an approved Scholarship Funding Organization (SFO), is authorized to administer the program. The scholarship is available to students in third through fifth grade who have scored a Level 1 or 2 on the English Language Arts section of the Florida Standards Assessment (FSA). Each scholarship is worth \$500, which the parent can use to pay for tuition and fees related to part-time tutoring, summer and after-school literacy programs, instructional materials and more. The funding is from direct state appropriation. A Reading Scholarship account is established for each child that is awarded a reading scholarship. Through the Reading Scholarship Program, 2,778 and 4,960 students received scholarships for the 2021-2022 school year and the 2020-2021 school year, respectively.

During the years ended June 30, 2022 and 2021, SUFS-FL distributed approximately \$1.2 million and \$1.9 million, leaving a balance of approximately \$5.1 million and \$5.5 million, respectively, which is recorded in the accompanying consolidated statement of financial position as both an asset and liability. SUFS-FL is acting as an agent for this program, therefore, there are no revenues and expenses reported on the accompanying consolidated statement of activities for scholarship funds received and distributed from the State of Florida.

#### Note 1. Nature of Organization and Significant Accounting Policies (Continued)

• Family Empowerment Scholarship Program: The Family Empowerment Scholarship Program was established by Florida Statute 1002.394, which was created in 2019 to provide children and families in the State of Florida which have limited resources with educational options to achieve success in their education. This scholarship was created to also help reduce the waiting list for the Florida Tax Credit Scholarship Program and similarly services students from low-income and working-class households. Beginning with the 2021-2022 school year, this program was expanded to include two branches, the Family Empowerment Scholarship for Educational Options (FES-EO) and the Family Empowerment Scholarship for Students with Unique Abilities (FES-UA). SUFS-FL, as an approved SFO, administered this scholarship and served 76,959 K-12 students and distributed approximately \$523.6 million in scholarships for the FES-EO Program. Through the FES-UA Program, 25,593 and 17,880 eligible students received scholarships for the 2021-2022 and 2020-2021 school year, respectively.

For the 2020-2021 school year, SUFS-FL worked directly with the State of Florida Department of Education to administer the Family Empowerment Scholarship Program, which served 29,853 K-12 students.

For the 2021-2022 school year and the 2020-2021 school year, FES-EO qualified students received a maximum scholarship of \$9,979 and \$9,197, respectively, to attend a private school that has been approved by the State of Florida or \$750 for transportation to an out-of-district public school. Scholarships are disbursed when a student attends a qualified school.

The Family Empowerment Scholarship for Students with Unique Abilities (formally known as the Gardiner Scholarship Program) was established in 2014 creating scholarships for students with unique abilities. This scholarship is for Florida students in kindergarten through 12th grade with one of the following disabilities: Autism, Cerebral palsy, Down syndrome, intellectual disability, speech impairment, language impairment, orthopedic impairment, behavioral impairment, specific learning disability, Phelan-McDermid syndrome, Prader-Willi syndrome, Spina bifida, Muscular Dystrophy, Williams syndrome, anaphylaxis, visual impairment, traumatic brain injury, hospital or home bound, being a high risk child or identification as dual sensory impaired. The students need either an Individual Education Plan (IEP) from a Florida school district or a formal diagnosis from a licensed physician or psychologist to qualify. Students can participate in this scholarship as part of home education; however, they cannot be enrolled in public school or be receiving any other statesponsored scholarships. A FES-UA Scholarship account is established for each child that is awarded a unique abilities scholarship. Parents use this money to personalize the education of their children with unique abilities by directing money towards a combination of programs and state approved providers. These include schools, therapists, specialists, curriculum, technology and college savings accounts.

During the years ended June 30, 2022 and 2021, SUFS-FL distributed approximately \$194.8 million and \$145.0 million, leaving a balance of approximately \$185.9 million and \$136.8 million, respectively, which is recorded in the accompanying consolidated statement of financial position as both an asset and liability. SUFS-FL is acting as an agent for this program; therefore, there are no revenues and expenses reported on the accompanying consolidated statement of activities for scholarship funds received and distributed from the State of Florida.

#### Note 1. Nature of Organization and Significant Accounting Policies (Continued)

Administrative fee for management of Florida Scholarship Programs: In accordance with the provisions of the Florida Statutes, SUFS-FL can receive an administrative fee to administer the Florida Scholarship Programs. For the Florida Tax Credit Scholarship Program, Hope Scholarship Program and Reading Scholarship Program, SUFS-FL receives 3% of scholarships funded for the 2021-2022 school year. SUFS-FL receives 2.5% of scholarships funded to administer the Family Empowerment Scholarship Program for the 2021-2022 school year. For the 2021-2022 school year, total scholarships funded were 190,666 which resulted in \$36,646,233 of administrative fees during the year ended June 30, 2022.

During the 2020-2021 school year, SUFS-FL received an administrative fee not to exceed 3% of scholarships awarded for the management of all Florida Scholarship Programs. For determining the income eligibility for the Family Empowerment Scholarship Program, SUFS-FL received 1% in administrative fees. For the 2020-2021 school year, total scholarships awarded were 180,898, which resulted in \$33,626,028 of administrative fees during the year ended June 30, 2021.

This administrative fee was used to manage the Florida Tax Credit Scholarship Program, Hope Scholarship Program, Family Empowerment Scholarship for Educational Options and for Students with Unique Abilities, and the Reading Scholarship Program in the State of Florida.

A summary of the Organization's significant accounting policies follows:

**Principles of consolidation:** The consolidated financial statements include the accounts of Step Up For Students and its subsidiaries through controlling interests, SUFS-FL, SUFS-WV, Alabama Opportunity Scholarship Fund and C2. All significant intercompany transactions have been eliminated during consolidation.

Comparative financial statements: The consolidated financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's consolidated financial statements for the year ended June 30, 2021, from which the summarized information was derived.

**Use of estimates:** The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and support, and expenses during the reporting period. Actual results could differ from those estimates.

**Basis of presentation:** The accompanying consolidated financial statements have been prepared on the accrual basis of accounting.

A not-for-profit organization is required to report information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

**Net assets without donor restrictions:** Net assets are not subject to donor-imposed stipulations, but may be designated for specific purposes by action of the Board of Directors.

Notes to Consolidated Financial Statements (With Summarized Comparative Information as of or for the Year Ended June 30, 2021)

#### Note 1. Nature of Organization and Significant Accounting Policies (Continued)

**Net assets with donor restrictions:** Net assets are subject to donor-imposed stipulations that may or will be met either by actions of the Organization, passage of time, or permanently maintained by the Organization. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of activities as net assets released from restrictions.

**Cash and cash equivalents:** For purposes of the consolidated statement of cash flows, the Organization considers all short-term securities purchased with an original maturity of three months or less to be cash equivalents. Cash and cash equivalents exclude funds held in trust for students.

The Organization maintains their cash accounts at commercial banks, which are insured by the Federal Deposit Insurance Corporation (FDIC). Balances exceed amounts insured by the FDIC and the Organization has not experienced any losses on such accounts. To help reduce any potential losses, excess balances are swept into a money market fund, which is invested in U.S. Government Obligations.

**Pledges receivable, contributions and grants:** Contributions and grants are recorded in the period received at fair value as net assets without donor restrictions or net assets with donor restrictions support depending on the existence or nature of any donor restrictions. Contributions and grants that are restricted by the donor are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When time restrictions expire or purpose restrictions are fulfilled, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Unconditional promises to give (pledges) are recognized as support in the period received at fair value. Conditional promises to give are recognized when the conditions on which they depend are substantially met. The Organization uses the allowance method to determine uncollectible pledges receivable. The allowance is established based upon management's analysis of specific pledges and other economic factors. The Organization has received promises to give from corporations for the Florida Tax Credit Scholarship Program, from corporations and individuals for the Alabama Tax Credit Scholarship Program, and from private foundations.

Pledges, which become uncollectible or for which an allowance is established in the year of the pledge, are written off against contribution revenue. Pledges which become uncollectible in subsequent years are charged to the allowance for uncollectible pledges.

Contributed services are recognized and reported at fair value in the period received, if the services received create or enhance nonfinancial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by contribution. There were no material contributed services for the years ended June 30, 2022 and 2021.

**Accounts and grants receivable:** Accounts and grants receivable are stated at net realizable value. The Organization uses the allowance method to determine uncollectible accounts receivable. The allowance is established based upon management's analysis of specific accounts and other economic factors. In the opinion of management, an allowance for uncollectible accounts of \$423,052 and \$220,734 was considered necessary at June 30, 2022 and 2021, respectively.

**Restricted certificate of deposit:** Restricted certificate of deposit held by the Organization represents funds required to be set aside by the lessor relating to an office lease signed by the Organization for collateral and is carried at amortized cost.

Notes to Consolidated Financial Statements (With Summarized Comparative Information as of or for the Year Ended June 30, 2021)

#### Note 1. Nature of Organization and Significant Accounting Policies (Continued)

**Property and equipment:** Property and equipment is recorded at cost when purchased or at fair value at the date of gift, if contributed. Depreciation of property and equipment is computed using the straight-line method of accounting over the estimated useful lives of the depreciable assets. Routine maintenance and repair costs are charged to expense as incurred, while major replacements and improvements are capitalized as additions to the related assets. When assets are sold or retired, the related cost and accumulated depreciation are removed from the accounts and gains or losses from dispositions are credited or charged to income.

**Impairment of long-lived assets:** The carrying value of property and equipment is reviewed for impairment whenever events or changes in circumstances indicate such value may not be recoverable. Recoverability of assets or asset groups to be held and used is measured by a comparison of the carrying amount of an asset or asset group to future net cash flows expected to be generated by the asset or asset group. If such assets or asset groups are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets or asset group. Assets or asset groups to be disposed of are reported at the lower of the carrying amount or fair value less cost to sell. No impairment of the Organization's long-lived assets or asset groups have been recognized during the years ended June 30, 2022 and 2021.

Funds held in trust for students and funds held in trust for students liability: Funds held in trust for students and funds held in trust for students liability represents funds received for the Family Empowerment Scholarship for Students with Unique Abilities (FES-UA) and the Reading Scholarship Program. A FES-UA Scholarship account is established for each child that is awarded a special needs scholarship and a Reading Scholarship account is established for each child that is awarded a reading scholarship. As parents use these funds in accordance with State of Florida guidelines, the asset and liability are reduced accordingly. The following represents a breakout of the funds held in trust for students liability at June 30, 2022 and 2021:

	2022	2021
FES-UA	\$ 185,926,066	\$ 136,757,928
Reading Scholarship Program	5,127,473	5,471,839
	\$ 191,053,539	\$ 142,229,767

**Functional expenses:** The costs of providing the various programs and supporting services have been summarized on a functional basis in the consolidated statement of activities and in the consolidated statement of functional expenses. Accordingly, certain costs have been allocated among the various programs and supporting services benefited. Salaries and related payroll expenses are allocated among functional categories based on the estimated proportion of time spent to each function. All other expenses are allocated based on management's estimate of the relative functional activity.

**Income taxes:** Step Up For Students and SUFS-WV are in the process of applying for tax exempt status through filing of the Federal Form 1023, Application for Recognition of Exemption Under Section 501(c)(3) of the Internal Revenue Code. SUFS-FL is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and from state income taxes under similar provisions of the State of Florida Statutes. Accordingly, no provision for federal and state income taxes has been recorded in the accompanying consolidated financial statements. SUFS-FL has made an election under Section 501(h) of the Internal Revenue Code, which permits certain eligible 501(c)(3) organizations to make limited expenditures to influence legislation. The Organization would be subject to an excise tax if it spends more than the amounts permitted. Such limits have not been exceeded.

Notes to Consolidated Financial Statements (With Summarized Comparative Information as of or for the Year Ended June 30, 2021)

#### Note 1. Nature of Organization and Significant Accounting Policies (Continued)

The Alabama Opportunity Scholarship Fund and C2 are disregarded entities for federal and state income tax purposes and, therefore, reports all federal and state tax information through SUFS-FL. Accordingly, no provision for federal and state income taxes has been recorded in the accompanying consolidated financial statements.

The Organization follows accounting standards relating to accounting for uncertainty in income taxes. Management assessed whether there were any uncertain tax positions which may give rise to income tax liabilities and determined that there were no such matters requiring recognition in the accompanying consolidated financial statements. Generally, the Organization is no longer subject to U.S. federal or state income tax examinations by tax authorities for years before June 30, 2018.

**Recent accounting pronouncements:** The Financial Accounting Standards Board (FASB) has issued certain new or modifications to, or interpretations of, existing accounting guidance. The Organization has considered the new pronouncements and does not believe that any other new or modified guidance will have a material impact on the Organization's reported financial position or activities in the near term.

**Reclassifications:** Certain reclassifications have been made to the 2021 balances in order to conform to the 2022 presentation. These reclassifications did not result in a change in previously reported change in net assets.

**Subsequent events:** Management has assessed subsequent events through October 31, 2022, the date the consolidated financial statements were available to be issued.

#### Note 2. Tax Credit Scholarship Programs and Scholarships Awarded

Florida Tax Credit Scholarship Program and Scholarships Awarded: In accordance with the provisions of the Florida Statutes, Scholarship Funding Organizations can receive an administrative fee not to exceed 3% of scholarships funded for the management of all Florida Scholarship Programs (see Note 1—Administrative fee for management of Florida Scholarship Programs). Scholarship Funding Organizations must expend for annual or partial-year scholarships an amount equal to or greater than 75% of the net eligible contributions remaining after administrative expenses during the year in which such contributions are collected. No more than 25% of such net eligible contributions may be carried forward for expenditure to the following year. However, no later than September 30th of each year, net eligible contributions remaining on June 30th of each year that are in excess of the 25% that may be carried forward shall be used to provide scholarships to eligible students or transferred to other eligible nonprofit SFO's to provide scholarships for eligible students. SUFS-FL expended \$565,045,096 and \$651,549,789 for scholarships during the years ended June 30, 2022 and 2021, respectively. During the years ended June 30, 2022 and 2021, SUFS-FL received transferred funds from another SFO amounting to \$27,652,081 and \$10,256,800, respectively, in which SUFS-FL claimed \$0 in administrative allowance during the years ended June 30, 2022 and 2021.

Scholarships under the Florida Tax Credit Scholarship Program are awarded annually to qualified students. To qualify for a scholarship, a student and the parents or guardian of that student must meet economic need requirements, enroll in an eligible private school and comply with certain other responsibilities for program participation. Scholarships for the 2021-2022 school year and the 2020-2021 school year could not exceed \$9,979 and \$9,197, respectively. As of the 2020-2021 school year, scholarship payments were made to the schools after parent approval via automated clearing house (ACH) in quarterly installments. For the Florida Tax Credit Scholarship Program and the Family Empowerment Scholarship for Education Options, schools continue to verify student attendance and that the students' parents or guardians have complied with their responsibilities under the program.

Notes to Consolidated Financial Statements (With Summarized Comparative Information as of or for the Year Ended June 30, 2021)

#### Note 2. Tax Credit Scholarship Programs and Scholarships Awarded (Continued)

Alabama Tax Credit Scholarship Program and Scholarships Awarded: The Alabama Accountability Act of 2013 and the Administrative Rulings by the Alabama Department of Revenue permit Scholarship Granting Organizations participating in the Alabama Tax Credit Scholarship Program to use up to 5% of eligible contributions received for administrative expenses. Scholarship Granting Organizations must expend for scholarships an amount equal to or greater than 95% of the net eligible contributions remaining after administrative expenses. During the period from July 1, 2021 through August 31, 2021, the Alabama Opportunity Scholarship Fund collected \$1,568,850 of eligible contributions. The Alabama Opportunity Scholarship Fund claimed an administrative allowance of \$75,693 and expended \$0 for scholarships during the period from July 1, 2021 through August 31, 2021. During the year ended June 30, 2021, the Alabama Opportunity Scholarship Fund collected \$2,942,434 of eligible contributions. The Alabama Opportunity Scholarship Fund claimed an administrative allowance of \$147,122 and expended \$2,681,854 for scholarships during the year ended June 30, 2021.

During the period from July 1, 2021 through August 31, 2021, C2 collected \$9,403 of eligible contributions. C2 claimed an administrative allowance of \$120 and expended \$0 for scholarships during the period from July 1, 2021 through August 31, 2021. During the year ended June 30, 2021, C2 collected \$353,536 of eligible contributions. C2 claimed an administrative allowance of \$17,677 and expended \$554,804 for scholarships during the year ended June 30, 2021.

Scholarships under the Alabama Tax Credit Scholarship Program are awarded annually to qualified students. To qualify for a scholarship, a student and the parents or guardian of that student must meet economic need requirements, enroll in an eligible private school and comply with certain other responsibilities for program participation.

#### Note 3. Property and Equipment

Property and equipment consisted of the following at June 30:

	2022	2021
Furniture and equipment Software	\$ 1,094,766 10,869,423	\$ 941,272 8,312,410
Leasehold improvements	47,544	47,544

	\$ 8,339,573	\$ 6,507,864

Starting in 2021, the Organization began investing in a new software platform to better serve its scholarship students and families. The platform will contain student accounts and will be the platform on which payments to schools, providers, and parents will be recorded. This will be cloud-based, which will allow the Organization to better manage future growth in programs, while enhancing the student/family experience and supporting schools and providers. The new platform will have an artificial intelligence component and workflows to provide a more modern, faster experience for users.

Depreciation expense for the years ended June 30, 2022 and 2021, was \$958,712 and \$852,816, respectively.

Notes to Consolidated Financial Statements (With Summarized Comparative Information as of or for the Year Ended June 30, 2021)

#### Note 4. Line of Credit

SUFS-FL has a \$62,000,000 line of credit agreement with a bank bearing interest at the one-month Secured Overnight Financing Rate (SOFR) interest rate plus 1.1% (2.63% at June 30, 2022). Interest on the line of credit is payable monthly and matures on June 30, 2023. The line of credit is collateralized by substantially all the assets of SUFS-FL and guaranteed by Step Up For Students and SUFS-WV. The Organization maintains \$60,000,000 of the line of credit for the purpose of funding Florida Tax Credit Scholarship commitments under SUFS-FL in the event that expected contributions from donors are delayed and \$2,000,000 for operating liquidity. There was no outstanding balance on the line of credit at June 30, 2022 and 2021.

#### Note 5. Net Assets

Net assets without donor restrictions are available for the following purposes at June 30:

	2022	2021

The Organization's goal is to manage its tax-credited fundraising and associated scholarship commitments such that as many students as possible receive a scholarship while maintaining at least a 5% reserve of the funds received. The purpose of that reserve is to accommodate for timing differences and potential rescindments by donors. The Organization has managed scholarship commitments for the next school year accordingly to maintain the targeted reserve.

Historically, the Organization pays scholarship payments four times per year during the school year, the timing for which is established based on historical fundraising trends such that sufficient donations are received prior to each payment. Donations received between scholarship payments are invested in short term U.S. Treasury instruments, the interest from which is designated to fund scholarships.

The Company maintains a \$62 million line of credit of which \$60 million is restricted for the purpose of funding scholarship commitments in the event that expected contributions from donors are delayed and \$2 million for short-term operating liquidity.

During the years ended June 30, 2022 and 2021, the Organization had approximately \$11.9 million and \$5.5 million outstanding in scholarship payable commitments for 4,727 and 1,862 scholarship recipients, respectively, for the Florida Tax Credit Scholarship Program. The scholarship payable commitments have been recorded as scholarship expense and included in accounts payable at June 30, 2022 and 2021. During the years ended June 30, 2022 and 2021, all scholarships were paid from donations received and the Organization carried forwarded approximately \$285 million and \$83 million of scholarship funds, respectively, for future scholarships.

During the year ended June 30, 2022, the Organization had approximately \$23.3 million in Family Empowerment Scholarship Program funds that are due to the Florida Department of Education (DOE) for scholarship recipients that did not use their scholarship in the 2021-2022 school year. These funds have been included in accounts payable at June 30, 2022 and were returned to the DOE in August 2022.

Notes to Consolidated Financial Statements (With Summarized Comparative Information as of or for the Year Ended June 30, 2021)

#### Note 8. Major Donors

**SUFS-FL:** Contributions from two major donors accounted for approximately 35% of contributions and grants—Florida Tax Credit Scholarship Program during the year ended June 30, 2022. At June 30, 2022, approximately 40% of pledges receivable are due from these major donors. Contributions from one major donor accounted for approximately 19% of contributions and grants—Florida Tax Credit Scholarship Program during the year ended June 30, 2021. At June 30, 2021, approximately 27% of pledges receivable are due from this major donor and an additional two donors account for approximately 25% of pledges receivable.

#### Note 9. Retirement Plan

The Organization has a defined contribution 401(k) Savings Plan (the Plan). All employees who meet certain age and service requirements are eligible to participate in the Plan. The Plan provides for salary reduction contributions from employees up to the federal tax limit according to the Internal Revenue Code. In addition, there could be additional retirement benefits from discretionary employer contributions. Contributions to this Plan for the years ended June 30, 2022 and 2021, were \$783,491 and \$580,172, respectively, which is included in payroll taxes and employee benefits in the accompanying consolidated statement of functional expenses.

Notes to Schedule of Expenditures of Federal Awards and State Financial Assistance Year Ended June 30, 2022

#### Note 1. Basis of Presentation

The accompanying schedule of expenditures of federal awards and state financial assistance (the Schedule) includes the federal award and state financial assistance project activity of Step Up For Students, Inc. and its subsidiaries (the Organization), under programs of the federal government and the State of Florida for the year ended June 30, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the State of Florida Chapter 10.650, *Rules of the Auditor General.* Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets or cash flows of the Organization.

#### Note 2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are recognized on the accrual basis of accounting. Such expenditures are reported following the cost principles contained in the Uniform Guidance and cost principles established by the State of Florida Department of Financial Services, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers (contract or grant number) are presented where available.

SUFS-FL is acting as an agent for the Reading Scholarship Accounts Program; therefore, there are no revenues and expenses reported on the accompanying consolidated statement of activities for scholarship funds received and distributed from the State of Florida. The expenditures reported as state financial assistance on the Schedule represent amounts distributed for reimbursement of program-related expenditures on behalf of eligible children, which totaled \$1,246,792.

#### Note 3. Indirect Cost Rate

The Organization has elected not to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

# Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

#### **Independent Auditor's Report**

Board of Directors Step Up For Students, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*), the consolidated financial statements of Step Up For Students, Inc. and its subsidiaries (the Organization), which comprise the consolidated statement of financial position as of June 30, 2022, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements (collectively, the financial statements), and have issued our report thereon dated October 31, 2022.

#### Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program and State Financial Assistance Project and Report on Internal Control Over Compliance Required by the Uniform Guidance and State of Florida Chapter 10.650, Rules of the Auditor General

#### **Independent Auditor's Report**

Board of Directors Step Up For Students, Inc.

### Report on Compliance for Each Major Federal Program and State Financial Assistance Project

#### Opinion on Each Major Federal Program and State Financial Assistance Project

We have audited Step Up For Students, Inc. and its subsidiaries' (the Organization) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* and in the State of Florida's *Department of Financial Services' State Projects Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs and state financial assistance projects for the year ended June 30, 2022. The Organization's major federal programs and state financial assistance projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state financial assistance projects for the year ended June 30, 2022.

#### Basis for Opinion on Each Major Federal Program and State Financial Assistance Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*); the audit requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and the State of Florida Chapter 10.650, *Rules of the Auditor General* (Chapter 10.650). Our responsibilities under those standards, the Uniform Guidance and Chapter 10.650 are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state financial assistance project. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

#### **Responsibilities of Management for Compliance**

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Organization's federal programs and state financial assistance projects.

#### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650 will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program and state financial assistance project as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design
  and perform audit procedures responsive to those risks. Such procedures include examining, on
  a test basis, evidence regarding the Organization's compliance with the compliance requirements
  referred to above and performing such other procedures as we considered necessary in the
  circumstances.
- obtain an understanding of the Organization's internal control over compliance relevant to the
  audit in order to design audit procedures that are appropriate in the circumstances and to test and
  report on internal control over compliance in accordance with the Uniform Guidance and Chapter
  10.650, but not for the purpose of expressing an opinion on the effectiveness of the
  Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### **Report on Internal Control Over Compliance**

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state financial assistance project on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state financial assistance project will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state financial assistance project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.650. Accordingly, this report is not suitable for any other purpose.
